IN

Welcome to Pestana Alvor Park, a fully equipped 4-star aparthotel ready to provide you and your family a comfortable stay for days, weeks or even months.

Alvor has everything to make your holiday a memorable one. Starting with its huge and wide Blue Flag beach, considered one of the three best beaches in Europe. The long sunny days will ensure an unforgettable stay.

If you have small children, this is the place for you. The large, spacious gardens allow them to play freely and the enclosed area offers maximum safety. The pools are also separated, the area for children being shallow and safe, allowing your kids to splash. The indoor pool also delights the little ones and you can pretend it's because of them that you are so enthusiastic about the Jacuzzi. With huge windows that let in all the natural light; in the very rare case of rain, you can continue your holiday as if nothing happened.

IN

A photograph of a bedroom interior. In the center is a bed with a white sheet and a blue and white striped blanket. To the left is a wooden desk with a television on it. To the right is a wooden nightstand with a large, glowing lamp. The room has wooden doors and a blue patterned carpet. A white semi-transparent box is overlaid on the left side of the image, containing text.

THESE ARE NOT ROOMS, THESE ARE APARTMENTS

The T0 apartments are perfect for couples who are looking for a simple stay and who spend more time outside and in the public areas than in the room.

The T1 apartments are the ideal solution if you are coming with one or two children. The large living room allows you to have a seating area and a dining area and spend a very peaceful vacation.

The T2 is suitable for large families or families with older children. But all have balconies and panoramic views of the sea, which is right there, waiting to refresh you.

BE YOUR OWN CHEF

As this is an Aparthotel sought by those who want to make their own meals. Instead of a restaurant there's a bar always open from 11 am to midnight and a breakfast and lunch area for those who prefer to take these meals without having to prepare them. If you want dinner, there are several other Pestana hotels around as the Pestana Dom João II or Pestana Alvor Praia - where you can enjoy god food without worrying.
